

### ORGANIC CITRUS SOLVENT, CLEANER, AND DEGREASER

#### DESCRIPTION

C-CLEAN100 is a heavy-duty stripper and degreaser that is used for general cleaning and degreasing of concrete surfaces, tools and equipment.

#### APPLICATIONS

C-CLEAN100 is designed for stripping, degreasing and cleaning all types of concrete, equipment, and tools. It is ideal for removal of curing compounds, acrylic sealers, and waxes from concrete and cleaning uncured epoxies from tools, equipment and surfaces. C-CLEAN100 is excellent for concrete floor applications when it is necessary to remove dirt, tire marks, oil spills, grease and other contaminants. C-CLEAN100 will also strip most curing and sealing compounds. Applications include:

- Warehouses
- Industrial plants
- Food processing plants
- Automotive plants
- Parking garages
- Plazas
- Service stations

#### ADVANTAGES

- Heavy-duty cleaner, stripper, and degreaser
- High-strength concentration
- Multi-purpose use
- Bio renewable product
- Organic, safe to use solvent

#### COMPLIANCES

- Non-carcinogenic / Non-mutagenic
- Biodegradable product containing no ozone depleting chemicals
- Recognized as GRAS by FDA
- Approved for use in food contact applications by FDA
- Approved as an inert ingredient by the EPA

#### PACKAGING

1-gallon (6/case)  
5-gallon pail  
55-gallon drum

**Appearance:** Clear to Light Yellow with a citrus scent

**Shelf Life:** 2 years in original unopened container

**Storage:** 40°F to 95°F in a cool and well-ventilated area

#### COVERAGE

C-CLEAN100 may be diluted with water or used full strength. Suggested dilution ratios from 1:1 to 12:1 with clean water. It is recommended to try different dilution rates to cover your cleaning and stripping needs.

#### INSTALLATION

**Placement:** Apply C-CLEAN100 full strength for removing heavy dirt buildup, tire marks, oil spills, grease, hydraulic fluid and any difficult to remove contaminants from the concrete surface. Apply C-CLEAN100 full strength to the floor, scrubbing with a stiff broom or floor buffer (swing scrubber). Then allow the C-CLEAN100 to dwell on the surface for 20 minutes or sufficient time to soften the contaminate so that it can be removed.

Longer dwell times may be necessary for removal of curing compounds or cure and seals. Do not allow C-CLEAN100 to dry during the dwell period. Once the contaminate is softened, rinse the entire area thoroughly with water before the product dries. Re-application may be necessary for extremely dirty, stained floors, or hard to remove curing compounds.

#### LIMITATIONS

- For professional use only
- Do not use on resilient flooring or asphaltic surfaces
- C-CLEAN100 will adversely affect vegetation.
- C-CLEAN100 and the materials it removes may be hazardous and should be disposed of according to all local, state and federal regulations.
- Do not allow C-CLEAN100 to flow into waterways.

#### CLEAN UP

Tools and equipment – use water

#### CAUTIONS

##### **READ SDS PRIOR TO USING PRODUCT!**

- Irritant
- Product is a strong sensitizer. Use of safety goggles and chemical resistant gloves are recommended.
- Use in a well-ventilated area and avoid breathing vapors
- Use of a NIOSH/MSHA organic vapor respirator is recommended if ventilation is inadequate.
- Avoid skin contact
- Do not take internally
- Keep out of reach of children
- Keep away from heat and flames

#### FIRST AID

**EYE CONTACT:** Flush immediately with water for at least 15 minutes. Contact physician immediately.

**RESPIRATORY CONTACT:** Remove person to fresh air.

**SKIN CONTACT:** Remove any contaminated clothing.

Remove epoxy immediately with a dry cloth or paper towel. Solvents should not be used as they carry the irritant into the skin. Wash skin thoroughly with soap and water.

**IF INGESTED:** Do not induce vomiting. If swallowed give water to drink. Seek medical treatment immediately.

**GENERAL:** Remove contaminated soaked clothing immediately. In the event of persistent symptoms receive medical treatment.

#### WARRANTY

This product is warranted and guaranteed to be of good quality. Manufacturer, as its sole and exclusive liability hereunder, will replace material if proved defective. This warranty and guarantee are expressly in lieu of all others, express or implied, including any implied warranty of merchantability or fitness for a particular purpose and may not be extended by representatives or any persons, written sales information, or drawing in any manner whatsoever. While the manufacturer recommends uses for the product based on tests believed reliable, no warranties, express or implied, or guarantees can be given as to particular methods of use or application, nor can performance be warranted, expressly or impliedly, or guaranteed under special conditions.
